A. JUSTIFICATION AND ANALYSIS OF THE PROPOSED AMENDMENTS TO THE BYLAWS

Pursuant to the contents of CVM Instruction No. 481, dated December 17, 2009, we provide, next, a justification and analysis of the proposed amendments to the Bylaws of TOTVS S.A. (“Company”), subject to deliberation at the AGE:

A.1 Adjustment to corporate capital

The adjustment to the Company’s corporate capital is intended to reflect the latest Company’s corporate capital increase, within the limits of authorized capital, as approved at a Meeting of the Board of Directors held on December 19, 2013 as a result of the exercise of stock purchase options by beneficiaries of such. The increase resulting from this exercise was one hundred and twenty-nine thousand, five hundred and eighty Brazilian Reais and thirty centavos (R\$ 129,580.30). Between the last consolidated Bylaws, approved at the Extraordinary General Shareholders’ Meeting held in January 1, 2013, and the last corporate capital increase, there was a variation of forty-six million, thirty-eight thousand, nine hundred and sixty two dollars and nine cents (R\$ 46,038,962.09), on the grounds of: (i) stock option for beneficiaries (meetings of the Board of Directors held in 12/20/2012, 3/19/2013, 4/30/2013, 6/18/2013, 7/30/2013, 9/17/2013, 10/29/2013, 11/19/2013, 12/19/2013); and (ii) conversion of debentures (the meeting of the Board of Directors held in 08/19/2013).

Therefore the proposed adjustment aims to simply cause the Bylaws to reflect the Company’s current corporate capital arising from an increase within the limits of authorized capital, in such a manner as to facilitate immediate determination by any interested party.

As a result of this adjustment, Article 5 of the Bylaws shall read as follows:

“**Article 5** – The Company’s corporate capital fully subscribed and paid in is ~~of four~~five hundred and ~~eighty~~twenty-six million, five hundred and ~~fifty three~~ninety-two thousand, one hundred and ~~forty two~~Brazilian Reais, ~~and thirteen cents (R\$480,553,140.13 and twenty two centavos (R\$ 526,592,102.22)~~, divided into one hundred and sixty ~~one~~three million, ~~six~~four hundred and ~~twenty four~~sixty-seven thousand and ~~eight hundred and thirty (161,624,830)~~seventy one (163,467,071) registered, book-entry common shares, without par value.”

A.2 Increase of the authorized capital limit

The amendment to Article 6 of the Company’s Bylaws is intended to increase the authorized corporate capital limit so as to enable the Board of Directors to approve issues of new shares of stock in the Company up to a limit of eight hundred million (800,000,000.00) Brazilian Reais. This change is justified because, due to the capital increase approved at the Meeting of the Board of Directors held on December 19, 2013, the Company’s current corporate capital – five hundred and twenty-six million, five hundred and ninety-two thousand, one hundred and two Brazilian Reais and twenty two centavos (R\$ 526,592,102.22) – lies close to the authorized capital limit – five hundred and forty million (540,000,000) Brazilian Reais.

Please note that this change carries no economic effects.

Assuming the proposed amendment is approved, Article 6 of the Company's Bylaws will read as follows:

“Article 6^o - The Company is authorized to increase its capital stock, up to the limit of ~~five~~eight hundred ~~and forty~~ million (800,000,000) Brazilian Reais ~~(R\$540,000,000.00).~~”

A.3 Modification of the duties of the Board of Directors by means of an amendment to Article 19 of the Bylaws

Modification of the duties of the Board of Directors aims to simplify such duties in such a manner as to ensure the corporate body's required powers, pursuant to the applicable law and the Company's reality without hindering its everyday operations. In this sense, the suggested changes aim to: (i) eliminate from the Bylaws powers that the applicable law already assigns to the Board of Directors; (ii) group together powers that are directly related; or (iii) make the letter of the Bylaws clearer and simpler.

As concerns the Board of Directors' necessary powers, we propose including a new Paragraph under Article 19, requiring prior approval of the Board of Directors for a vote in agreement to be cast by a representative of the Company in connection with any deliberation on the matters listed in Article 19, at General Shareholders' Meetings and other corporate bodies of entities directly or indirectly controlled by the Company, so as to ensure exercise of the Company's control over its controlled entities.

A.4 Modification of the name of the Compensation Committee to Personnel and Compensation Committee, as well as the modification of its duties by means of an amendment to Article 20 of the Bylaws

We propose that the name of the Compensation Committee be modified to Personnel and Compensation Committee, which fits this committee better, pursuant to its role and duties. Given that, for the purposes of benchmarking, the potential job market for managers at the Company lies in the information technology market, we propose to adjust the contents of Article 20, item (i) of the Bylaws so that the proposed allotment of annual compensation among Executive Officers and Directors be done pursuant to the standards of the information technology market, that is, not limited to those of the software industry, as read the Bylaws currently in force. In addition, items (iv), (v) and (vi) must be deleted as a result of the changes made to Article 19 of the Bylaws.

Assuming the suggested proposal is approved, all reference made to the Compensation Committee in the Bylaws will be modified to Personnel and Compensation Committee, and Article 20 of the Company's Bylaws will read as follows:

“Article 20 – The Board of Directors shall elect one (1) external member and one (1) Board member, among its members, who shall comprise the Personnel and Compensation Committee together with the Chief Executive Officer (CEO) and the Human Relations and Organizational Infrastructure Vice President with a term of office of two (2) annual years, which shall meet whenever necessary. The Personnel and Compensation Committee shall exercise consulting functions in accordance with its bylaws and shall assist the Board of Directors to establish the terms of the compensation and other benefits and payments to be received on any account from the Company by Executive Officers and Board Members. The following is incumbent upon the Personnel and Compensation Committee:

- (i) submitting to the Board of Directors a proposal for distribution of the overall annual compensation to the Executive Officers and Board Members, based on the software information technology market standards and following up on the payment of compensation and, if the compensation is not in line with the software information technology market standards, informing said fact to the Board of Directors; ;

- ~~(vi) expressing an opinion on the execution, amendment or termination of agreements of any nature, including loan agreements, with any consultants or Employees a (except for employment contracts), third parties related to them, including companies directly or indirectly controlled by said Employees, or by any third parties related to them Employees.~~”
